

Michael McColligan Maintains Lead In Konig Cup

June 29, 2008 Sonoma, CA. - Michael McColligan, driving the #36 Mazdatrix/Racing Beat Mazda RX8 maintained his lead in the Konig Cup Standings with his 7th place finish at Round 4 of the United States Touring Car Championship at Infineon Raceway.

Prior to the race The MC Racing Team made significant handling changes along with additional weight reduction. The changes worked for the better as McColligan improved his fastest lap at Infineon by over 2 seconds qualifying him just inside the top 10. The RX8 and McColligan got another quick standing start making up a spot before the first turn and throughout the race fought hard for position. "The car balance felt great and I had an absolute blast as I was able to push the entire race", summed up McColligan on his weekend.

Its back to work as the MC Racing Team prepares for round 5 of the USTCC August 23-24 at Thunderhill Raceway.
